

PIXMA HOME TS5160

PIXMA HOME TS5160 THE IDEAL ALL-IN-ONE HOME PRINTER WITH WI-FI

Discover the PIXMA HOME TS5160, a printer made for convenient high quality colour printing from the comfort of your own home with auto duplex printing, Wi-Fi, Bluetooth and an easy-to-use display.

Easy to Operate

Every function is easier with the manually adjustable front panel, LCD display and simple interface. The clear buttons mean quick access to the printer's primary functions, whether that be printing, copying or scanning.

Share Your Memories

Experience a completely reimagined way of sharing memories through the Message in Print application. This application will allow you to send images with pre-written text and borders, or even embed videos or maps on it. (Available Nov 2017)

Printing Made Easy

Print scan and copy, all from this single compact document and photo printer. Produce beautiful photographs and crisp text documents – over USB cable, Wi-Fi or via Bluetooth. Canon's FINE inkjet print technology brings convenience, cost savings and most of all, great-looking prints.

PIXMA HOME TS5160

THE IDEAL ALL-IN-ONE HOME PRINTER WITH WI-FI

Wireless

Print with ease with PIXMA Cloud Print and other applications such as Apple AirPrint, Google Cloud Print that simply connect to mobile devices.

App Connected

Using PIXMA Cloud Link, accessed through the Canon PRINT app, you can now print from popular social network and cloud services including Facebook, Instagram, Google Drive, Dropbox, OneDrive and many more.

Dual Paper Feeder

Get flexible with the way your printer receives paper – either through rear paper feeding or via front paper cassette. The paper output tray is also automatically expandable.

Quality Inks

Whether you are printing sharp text or beautiful photos, the use of Canon's FINE cartridge system produces crisp document text and high-quality images.

Borderless Prints

Print your documents and photos on a range of different paper sizes, from business card to Instagram-style images, on square sizes! You can even print borderless 4"x6" photos in approx. 17 seconds.

Auto Duplex Prints

Save time and money with the auto duplex printing function, which automatically prints on both sides of paper.

Document Removal Reminder

If you happen to leave your important documents in the flatbed scanner, this smart printer will remind you to remove your document with an alert.

Square Media

Get crafty with a variety of print sizes and showcase your images in Instagram-style square size prints.

Power Consumption	Standby (scanning lamp is off) USB connection to PC: approx. 0.7W, OFF: Approx. 0.2W, Copying (USB connection to PC) approx. 14W
Recommended Environment	Temperature: 15 - 30°C Humidity: 10 - 80%RH (no dew condensation)
Dimensions (W x D x H)	Approx. 425 x 315 x 147 mm
Weight	Approx. 6.5kg

Disclaimers

- If your inkjet printer is found defective within the applicable manufacturer warranty period (1 Year), we'll replace it with the same, or an equivalent model. Excludes damage caused by external factors. Canon's full replacement promise is in addition to your rights under Australian Consumer Law which, depending on the type of fault, includes repair, replacement or a refund. For full terms see: www.canon.com.au/printassist or the card in the printer box. Only for products purchased at Authorised Canon Australia retailers
- Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc.
- USB cable not included.

Note: A complete set of ink cartridges with ink available in each cartridge is required for all functions including copy, print and scan. Some functions (e.g. PIXMA Cloud Link, scan to cloud or scan to email) may not work unless genuine Canon inks are used and/or an internet connection established.
