

StudioCaddy™ with Qi Wireless Charging for Apple Devices

Part Number: K59090WW | UPC Code: 0 85896 59090 3

Maximize desktop space while keeping your Apple devices charged, organized, and within reach.

Designed exclusively for Apple, StudioCaddy™ with Qi Wireless Charging for Apple Devices is a versatile, space-saving solution that maximizes desktop space while keeping all of the devices in your Apple ecosystem charged, organized, and within reach. Dual Qi charger works with any Qi-enabled iPhone. Also charges AirPods. Magnetically attaches to the MacBook/iPad stand — detaches for more flexibility.

Features include:

- Designed exclusively for Apple
- Space-saving vertical stand cradles the MacBook in an upright (closed) position (supports MacBook Pro 13"–16", and MacBook Air)
- Dual Qi charger works with any Qi-enabled iPhone. Also charges AirPods. Magnetically attaches to the MacBook/iPad stand — detaches for more flexibility.
- Charges iPhone in landscape or portrait orientation
- iPad holder allows for viewing in landscape or portrait orientation (supports iPad and iPad Pro up to 12.9")
- USB-A and USB-C ports for additional iPad, iPhone, AirPods, and Apple Watch power options (charging cables not included)
- Compatible with most iPhone cases (up to 3mm thick), most iPad cases (including Kensington's indestructible BlackBelt line of protective iPad cases), Apple Magic Keyboard, and Apple Smart Keyboard Folio
