

SPOTLIGHT™

Presentation Remote

PRESENT LIKE NEVER BEFORE WITH SPOTLIGHT.

Meet Spotlight. A game-changing presentation remote. Spotlight allows you to simply navigate slides and interact with on-screen content from up to 30 metres (100 feet) away. The customisable timer sends vibration alerts directly to hand – and the advanced pointer system allows you to highlight and magnify areas of focus in pixel-perfect detail. Add to that gesture-commanded scrolling, panning and volume control and you can be sure to crush every presentation. A full charge lasts up to three months, and Spotlight is plug-and-play on most devices and platforms running popular presentation software.

WHAT'S IN THE BOX

- Presenter
- USB receiver
- Charging cable
- Pouch
- User documentation
- 2-year manufacturer's guarantee and full product support
