### Logitech® Wireless Mini Mouse M187

Logitech® Wireless Mini Mouse M187. Take it wherever you take your laptop—thanks to its pocket-ready, extra-small design. Setup is simple. Just plug in the nano receiver and start using your mouse. Plus, the receiver is small enough to stay in your USB port—and stores inside the mouse if you do need to remove it—so there's no need to worry about losing it. You'll enjoy the freedom of wireless with more precision and control than your laptop's touchpad. And you get a mouse you can count on, built with the high quality and reliability that have made Logitech the global leader for mice.
