The SA270 Privacy Screen for Apple Studio Display protects on screen data from prying eyes, is simple to install, remove, and reuse, reduces fingerprints, and provides professional-grade privacy screen protection with a blue light reduction filter

Features and Benefits

• Provides an exact fit to frame, and a webcam notch that ensures an unhindered video conferencing experience#while also protecting the Studio Display screen from scratches and damage
• A washable, reusable adhesive makes it easy to install, detach & reattach with no unsightly bubbles
• Narrows the field of vision to +/-30 degrees, to protect the information on your screen
• Eases eye strain and reduces by filtering out up to 30% of the monitor#s harmful blue light rays
• Antimicrobial Coating (matte side only) prevents mildew and bacteria growth
• Reduces glare from outside light sources for improved viewing clarity
• 2-Year Limited Warranty
