Ergonomic Assessment.

The Buro Vela chair has been ergonomically assessed by Andrew Wilson, Osteopath & Ergonomist.

"An excellent all-round chair, with no obvious faults that would suit a wide range of users. I particularly like the default posture which encourages a forward thigh tilt posture. The excellent self-weighting tension mechanism encourages the user to use the dynamic features which make a synchro chair so beneficial. The stretch fabric manages to be comfortable and supportive."

Andrew Wilson, Osteopath & Ergonomist - 27 May 2018
