Stage s8 Rotating Laptop Stand with RGB Cooling Fan and USB Ports

Features

Solid Aluminium Design with 360° Rotating Base: Crafted from durable aluminium, the mbeat Stage S8 supports laptops up to 17 inches and 5kg. Its 360-degree rotating base allows for easy access to ports from any angle and versatile positioning, ensuring both functionality and style in your workspace.

Ergonomic Elevated View with Adjustable Height: Achieve optimal ergonomic comfort with the mbeat Stage S8. The adjustable height feature raises your laptop up to 33cm, promoting better posture and reducing strain on your neck and back during extended work sessions.

Superior Cooling with Large, Quiet Fan: The mbeat Stage S8 is equipped with a powerful yet quiet cooling fan to maintain optimal laptop performance. Designed to prevent overheating, especially in high-temperature environments or during prolonged use, it ensures efficient cooling even in summer.

Stylish RGB Colour Changing Effect: Personalize your workspace ambiance with the vibrant RGB color-changing effect of the mbeat Stage S8. This feature not only enhances the visual appeal of your setup but also creates an enjoyable and stylish atmosphere.

Expanded Connectivity with Additional USB Port: Boost your productivity with the additional USB port. Easily connect peripherals such as a keyboard, mouse, or USB drive, transforming your laptop into a comprehensive workstation with enhanced connectivity options.

Specifications

- **Material:** Aluminium alloy
- **Max Elevated Height:** Approx. 33cm
