USB-C Gaming Dock for Steam Deck™ / ROG Ally™

Features

Enhanced Gaming Experience

Take your gaming to new heights with the mbeat Universal USB-C Gaming Dock. Connect your Steam Deck or ROG Ally handheld gaming console to your TV, work desk, or nightstand for an expanded and immersive gaming experience.

Seamless Connectivity and Protection

The dock features a specially designed USB-C connector with a flexible cable length for a secure and scratch-free connection. Enjoy hassle-free setup and peace of mind knowing your console is protected.

Versatile Compatibility

Compatible with Windows 10, 11, Mac OS, Android, and Linux, the dock supports a wide range of operating systems. It even allows docking of compatible USB-C tablets, providing versatility beyond gaming.

High-Performance Features

Enjoy stunning 4K/60Hz HDMI output, delivering crystal-clear visuals with resolutions up to 3840 x 2160 at 60Hz. The three USB 3.1 Gen1 ports offer extensive connectivity for keyboards, mice, and various USB-compatible game accessories.

Power and Speed

The 100W PD pass-through feature ensures uninterrupted gameplay by allowing you to connect your power supply. With 1000Mbps Gigabit Ethernet, you can quickly upload and download game files, minimising wait times and maximising your gaming efficiency.
