ToughLink 8K 1.8m USB-C to HDMI Cable

Features

Unleash Stunning Visuals

Enjoy breath-taking 8K/60Hz Ultra HD extended display and elevate your experience with 4K/144Hz and 4K/120Hz for higher refresh rates. Unleash the full potential of your content with vibrant colours and razor-sharp resolution.

Built to Last

Crafted with an aluminium case and gold-plated connectors, this cable exudes durability and reliability. The tough nylon braided cable adds an extra layer of protection, ensuring longevity even with frequent use.

Seamless Connectivity

Simply plug and play! The mbeat Tough Link cable offers effortless USB-C compatibility, allowing you to extend your USB-C tablet or laptop to enjoy crisp, clear, and high-quality Ultra HD display without any hassle.

Optimized Length

At 1.8 meters in length, this cable strikes the perfect balance between practicality and flexibility. Whether you're presenting in the boardroom or enjoying media in your living room, the ideal cable length gives you the freedom to connect and showcase your content effortlessly.

Elevate Your Viewing Experience

Take your multimedia to the next level by extending your USB-C device to a larger screen. Be it movies, presentations, or creative projects, the mbeat Tough Link 8K USB-C to HDMI cable enables you to relish a seamless, larger-than-life display experience, making it a must-have for every tech enthusiast.
