

# Safety Data Sheet

## Tempera Blocks and Discs

Revision: Number 1  
Date 10 April 2017

### SECTION 1 Product & Supplier Identification

<b>Product Name</b>	Tempera Blocks and Discs
<b>Other Names</b>	None
<b>Product Code</b>	TB... & TD09...
<b>Barcode Number</b>	
<b>Recommended Use</b>	Children's colour medium designed to be used with a wet brush.
<b>Restrictions on Use</b>	None known
<b>Company</b>	Educational Colours Pty Ltd
<b>ABN</b>	61 005 708 967
<b>Address</b>	2/43 Burgess Road, Bayswater, VIC, Australia 3153
<b>Telephone</b>	+61 3 9729 0788
<b>Supplier Code</b>	
<b>Emergency Phone Number</b>	Australia – 13 11 26 (Poisons Information Centre)

### SECTION 2 Hazards Identification

#### Classification of the hazardous chemical

<b>Physical hazards</b>	Not classified
<b>Health hazards</b>	Not classified
<b>Environmental hazards</b>	Not classified

#### Label elements, including precautionary statements

<b>Hazard symbols</b>	None
<b>Signal word</b>	None
<b>Hazard Statements</b>	The mixture does not meet the criteria for classification.

#### Precautionary statements

<b>Prevention</b>	Observe good industrial hygiene practices.
<b>Response</b>	Wash hands after use.
<b>Storage</b>	Store in well ventilated place. Keep container tightly closed.
<b>Disposal</b>	Dispose of contents and container in accordance with local regulations.

### SECTION 3 Ingredient Composition / Information

<u>Chemical Entity</u>	<u>CAS No.</u>	<u>Proportion (to 100%)</u>
Non-hazardous components		to 100 %

### SECTION 4 First Aid Measures

#### Description of necessary first aid measures

<b>Eye</b>	Irrigate with copious quantities of water for at least 15 minutes, lifting eyelids occasionally. Seek medical attention.
<b>Skin</b>	Remove any contaminated clothing and wash off with soap and water. If any symptoms arise seek medical attention.
<b>Inhalation</b>	Move to a well-ventilated area. Seek medical attention if symptoms persist.
<b>Swallowed</b>	Rinse mouth with water. Do not induce vomiting. Seek medical attention.

#### Personal protection for first aid responders

Ensure that medical personnel are aware of the material(s) involved and take precautions to protect themselves.

# Tempera Blocks and Discs

## Safety Data Sheet

### Symptoms caused by exposure

Inhalation	May cause respiratory irritation and coughing.
Skin	May cause irritation, redness, pain and rash.
Eye	May cause eye irritation, tearing, pain and redness.
Swallowed	May cause gastrointestinal irritation, nausea, headache and diarrhoea

### Medical attention and special treatment

Provide general supportive measures and seek medical attention if symptoms persist.

---

## SECTION 5

### Fire Fighting Measures

---

#### Extinguishing equipment

<b>Suitable</b>	Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.
<b>Unsuitable</b>	Anything that could spread the fire and or risk the safety of surrounding personnel.

#### Specific hazards arising from the chemical

Non-flammable. No explosion hazard exists. May evolve gases hazardous to health.

#### Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire.

**Hazchem Code** Not available.

**General fire hazards** No unusual fire or explosion hazards known.

---

## SECTION 6

### Accidental Release Measures

---

#### Personal precautions, protective equipment and emergency procedures

##### For non-emergency personnel

Keep unnecessary personnel away and upwind of spill. Wear appropriate protective equipment during clean up. Prevent contamination to drains / water ways. Contact Local authorities if spill cannot be contained. Place in clearly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

##### For emergency responders

Keep unnecessary people away. Wear appropriate dust/particulate respirator and full protective clothing. Do not breath dust and ensure adequate ventilation. Avoid generating dust. Heed advice under Section 8 "Personal Protection".

#### Environmental precautions

Avoid discharge to drains, water ways or onto the ground.

#### Methods and materials for containment and clean up

Large spills – Avoid or minimise dust. Use industrial vacuum to clean up spill, if this is not workable then sweeping is acceptable. Collect and seal in a bag or container that prevents fibre or dust emission and properly label for disposal in accordance with local regulations.  
Small spills – Clean up with vacuum or brush and shovel.

---

## SECTION 7

### Handling & Storage

---

#### Precautions for safe handling

Wear appropriate personal protective equipment. Observe good industrial hygiene practices. Avoid skin and eye contact and inhalation of dust. Use equipment that minimises dust. Any equipment that generates dust, needs to have exhaust extraction or effective local extraction. Work areas should be cleaned regularly to remove build up of fibres and/or dust. Always wash hands after use. Do not eat, smoke or drink when handling this product.

#### Conditions for safe storage, including any incompatibilities

Store in a dry, cool location. Keep containers tightly closed when not in use.

# Tempera Blocks and Discs

## Safety Data Sheet

---

### SECTION 8 Exposure Controls / Personal Protection

---

#### Occupational exposure limits (OEL's)

No OEL's noted for this product. However, for individual components,  
Titanium Dioxide 13463-67-7 10 mg/m<sup>3</sup>(TWA)

#### Biological limit values

No biological exposure values noted for this product.

#### Appropriate engineering controls

Use in a well-ventilated area. If required use local exhaust ventilation.

#### Individual protection measures, for example personal protective equipment (PPE)

##### Respiratory protection

Wear an appropriate dust mask that meets relevant Australian standards. The mask should protect against mechanically generated particulates for example silica.

**Hygiene measures** Use and maintain good industrial hygiene. Always wash hands after use. Routinely maintain safety equipment. Do not eat, smoke or drink when handling this product.

---

### SECTION 9 Physical & Chemical Properties

---

Appearance	Coloured, solid blocks and discs.
Odour	Low odour
Odour threshold	Not available
pH	Not available
Melt point / freeze point	Not available
Hardening time	Not available
Flash point	Not available
Flammability	Not flammable
Vapour Pressure	Not available
Vapour Density	Not available
Relative density	Not available
Solubility in water	Dispersible
Specific Gravity	Not available

---

### SECTION 10 Stability & Reactivity

---

**Reactivity** Product is considered non-reactive under normal conditions of use, storage and transport.

**Chemical stability** Product is considered stable at ambient temperature and under normal conditions of use.

#### Possibility of hazardous reactions

Hazardous polymerisation will not occur.

**Conditions to avoid** Heat, naked flames and other sources of ignition.

#### Incompatible materials

Strong acids.

#### Hazardous decomposition

In a fire product may give rise to the release of obnoxious fumes including oxides of carbon.

---

### SECTION 11 Toxicological Information

---

#### Information on possible routes of exposure

<b>Inhalation</b>	Minor irritation may be expected in some individuals.
<b>Skin contact</b>	Minor irritation may be expected in some individuals.
<b>Eye contact</b>	Minor irritation may be expected in some individuals.
<b>Ingestion</b>	Expected to be low ingestion hazard.

# Tempera Blocks and Discs

## Safety Data Sheet

### Acute Health Effects

<b>Inhalation</b>	May cause respiratory irritation and coughing.
<b>Skin</b>	May cause irritation, redness, pain and rash.
<b>Eye</b>	May cause eye irritation, tearing, pain and redness.
<b>Ingestion</b>	May cause gastrointestinal irritation, nausea, headache.

### Skin corrosion / irritation

Based on classification principles, the classification criteria are not met.

### Serious eye damage / irritation

Based on classification principles, the classification criteria are not met.

### Respiratory or skin sensitisation

Based on classification principles, the classification criteria are not met.

**Carcinogenicity** Not considered to be a carcinogenic hazard.

**Aspiration hazard** Based on classification principles, the classification criteria are not met.

### Reproductive toxicity

Based on classification principles, the classification criteria are not met.

### Additional Information

This product does NOT contain,  
Egg, dairy, soy, seafood, wheat, shellfish or peanut products, by-products or derivatives.

---

## SECTION 12

### Ecological Information

---

#### Ecotoxicity

No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Sufficient measures should be taken to retain the water used in extinguishing any fires involving this product. Dispose of contaminant in accordance with local landfill or incineration regulations.

#### Persistence and degradability

No specific data available.

#### Bio accumulative potential

No specific data available.

#### Mobility in soil

No specific data available.

---

## SECTION 13

### Disposal Considerations

---

#### Disposal methods

Dispose of this product and any water contaminated with this product in accordance with local regulations.

#### Contaminated packaging

The container in which the product is/was contained should also be disposed of in accordance with local regulations.

---

## SECTION 14

### Transport Information

---

**ADG** Not regulated as dangerous goods.

**IATA** Not regulated as dangerous goods.

**IMDG** Not regulated as dangerous goods.

**Special Precautions** No special precautions or requirements for transport

# Tempera Blocks and Discs

## Safety Data Sheet

---

### SECTION 15

### Regulatory Information

---

#### Safety, health and environmental regulations

This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals.

#### Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP)

Not allocated

**AICS** All components are listed in the Australian Inventory of Chemical Substances.

---

### SECTION 16

### Other Information

---

**Reason for Revision** Review and update information in accordance with GHS requirements.

#### Acronyms:

<b>TWA</b>	The TWA (Time Weighted Average) exposure value is the average airborne concentration of a particular substance when calculated over a normal 8 hour working day for a 5 day working week. The term "peak" is used when the TWA limit, because of the rapid action of the substance, should never be exceeded even briefly.
<b>SWA</b>	Safe Work Australia
<b>ADG</b>	Australian Dangerous Goods Code
<b>AICS</b>	Australia Inventory of Chemical Substances
<b>IATA</b>	International Air Transport Association
<b>IMDG</b>	International Maritime Dangerous Goods Code
